AI Quickstart for AI for specialist bed shops

The realistic AI use cases on one page — no hype, with clear limits.

AI for specialist bed shops — where it really saves time

- 1. Draft product and material texts
- 2. Comparison and advice texts as building blocks
- 3. Online listings and configuration descriptions
- 4. Newsletters and social about offers, new arrivals and the season
- 5. Answer customer enquiries and reviews and maintain standard texts

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
