AI Quickstart for AI for bridal shops

The realistic AI use cases on one page — no hype, with clear limits.

AI for bridal shops — where it really saves time

- 1. Draft collection and dress descriptions
- 2. Write appointment and process info texts
- 3. Online presentation and lookbook/social texts
- 4. Newsletters and social about collections, appointments and offers
- 5. Answer enquiries and reviews with care

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
