AI Quickstart for AI for bookshops

The realistic AI use cases on one page — no hype, with clear limits.

AI for bookshops — where it really saves time

- 1. Write recommendation cards and themed tables faster
- 2. Create reading and event announcements
- 3. Fill the newsletter and social media
- 4. Answer order and availability enquiries
- 5. Reply to reviews and maintain recurring texts

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
