AI Quickstart for AI for childcare, daycare centres & childminders

The realistic AI use cases on one page — no hype, with clear limits.

AI for childcare — where it makes the office day easier

- 1. Parent newsletters, info letters and notices
- 2. Answering enquiry and registration emails
- 3. Rota texts and internal admin documents
- 4. Concept and website texts
- 5. Social media posts and short outreach

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
