AI Quickstart for AI for the leather workshop

The realistic AI use cases on one page — no hype, with clear limits.

AI for the leather workshop — where it really saves time

- 1. Write product and material descriptions
- 2. Answer order and repair enquiries
- 3. Storytelling for social media and newsletter
- 4. Reply to online reviews
- 5. Turn care tips and FAQs into text

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
