

AI Quickstart for AI for knife makers

The realistic AI use cases on one page — no hype, with clear limits.

AI for knife makers — where it helps with the office and sales work

- 1. Write product, steel and model descriptions
- 2. Storytelling about your work
- 3. Answer commission and enquiry emails
- 4. Social media and newsletters about shop work
- 5. Reply to reviews and turn care tips into text

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
