AI Quickstart for AI for health-food stores

The realistic AI use cases on one page — no hype, with clear limits.

AI for health-food stores — where it really saves time

- 1. Draft product and range texts
- 2. Online listings and shop texts
- 3. Newsletters and social about season, offers and new arrivals
- 4. Answer customer enquiries
- 5. Reply to reviews and maintain standard texts

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
