AI Quickstart for AI for pet shops

The realistic AI use cases on one page — no hype, with clear limits.

AI for pet shops — where it really saves time

- 1. Draft product and care-note texts
- 2. Write online listings for supplies
- 3. Social and newsletters about promotions, season and new products
- 4. Answer customer enquiries
- 5. Reviews and standard texts

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
